

For the capacity building of the University model School teachers, a 10- day training programme began Wednesday at Conference Hall of Institute of Kashmir Studies, University of Kashmir.

The inaugural session was chaired by Professor G.M. Mustafa (Meem Hai Zaffar) IKS. The programme was also attended by Principal Model School, Hameeda Shafi, teachers, academicians, DLL faculty and other luminaries of Kashmir University.

Speaking on the Occasion, Professor Mustafa deliberated upon the role of teachers in the society for the positive development in the children. He further added that the teachers are the role models for the students, and one should inculcate the best teaching practices for the positive results.

He stressed upon to organize such kind of programmes for the greater benefit of the teachers at large. Prof. Mustafa appreciated the Directorate of Lifelong Learning for organising such programs for the capacity building of teachers at school level.

In his welcome address Project Officer DLL, Altaf Hussain welcomed the honorable participants and highlighted the activities of the Directorate. The proceedings of the function were carried by Shiner Jan.
